Summary of available features:

The screenshot shows the UNICEF Data Info interface for Krusevac. At the top, there are language options: "Ћирлица | Latinica | English". The UNICEF logo is prominently displayed. Below the header, there is a "Back to main menu" button with a house icon. The main content area is titled "Demography" and lists various indicators. A callout bubble points to the "Population by censuses" indicator, stating "The selection of indicators". Another callout bubble points to the "Population by censuses" indicator, stating "Switching to another sector". A third callout bubble points to the detailed description box, stating "A detailed description of the indicators". A fourth callout bubble points to a speaker icon at the bottom right, stating "Controller for music".
